

Song: Who Goes to the Electoral College?

Who goes to the electoral college?
There's no campus, dorm,
No football field or cafeteria
But every four years it's such a special place
'Cuz in the presidential race,

We don't vote for the President!
We pick electors who have their own event.
We pick electors who will vote for the guy we want.

Every state appoints a number of electors
Equal to the whole number of senators and representatives
To which the state may be entitled in Congress
New Jersey more, Alaska less!

We don't vote for the President!
We pick electors who have their own event.
We pick electors who will vote for the guy we want.

And if you think it isn't fair
Then your opinion isn't rare
Everyone has doubts about it!

Georgia 15, Tennessee 11,
California 55, Maine 4, and Texas 34!
They can't split up the votes in a real close call
Because the winner takes it all.

We don't vote for the President!
We pick electors who have their own event.
We pick electors who will vote for the guy we want.

Guitar Chords:

Chorus: F, Bf, F, Bf, F, Bf, C, F, Bf, C

Bf is B flat. You can do this all as power chords — that's how I did it.
